I acknowledge receipt of a "Fiddler" libretto/vocal book.

I understand that I must not write in this in anything other than a soft pencil.

# Fiddler on the Roof

27th June 1995

## *A message from me ...*

Today is the last full rehearsal before the summer break. I'm off to the States tomorrow, taking a copy of the "Fiddler" score and libretto with me for my holiday reading.

Have a good summer, and see you again on 22nd August at 7.00 p.m. - by which time I hope you'll all be line and note perfect, and rarin' to go.

- Carrie

## *... and a message from me*

As most of you already know, I'm here throughout the summer and will be available should anyone - chorus or principal - wish to go through any of the musical numbers. Speak to me this evening, or give me a ring on 35 63 39 (home) or 4300-3562 (office) to arrange a date and time. There's no excuse for not being note-perfect by 22nd August when Carrie returns!

Meanwhile, I'm busy recruiting an orchestra, and hope to rehearse with them on a regular basis over the next few weeks, so that by the time we all get together again in August, it should be possible to have some rehearsals with the band.

- Alan

If you would like a cassette of the music for "Fiddler", and haven't already got one, please contact Alan (☎ 35 63 39).

**It's still not too late to join the chorus, so if you're not already involved, or you know someone who would like to help swell the population of Anatevka-sur-Esch, speak to Carrie or Alan.  
All are welcome, young or old - and especially if you're male!**

## *... and the last word from Angela*

It's amazing how dangerous it can be to sit on the Place d'Armes passing the odd half hour. I happened to meet Ken Reid, we started discussing "Fiddler", and I vaguely expressed a willingness to get involved on the Production side. The next thing I knew was - low and behold! - there was a phone call and here I am. What have I let myself in for? I ask myself. I'll know the answer on 5th October (and by then, you'll probably owe me quite a few stiff drinks, Ken!).

Having been a member of Pirates almost since its inception, and involved in various shows over the years, I really want to see "Fiddler" go with a bang.

We have a great Director in Carrie O'Brien. She deserves all our support and encouragement. After all, she has to put up with all the comings and goings of us amateurs! Both Carrie and our *maestro supremo*, Alan Carlisle, are full of enthusiasm.

As you've read, it's not too late to be in the chorus. Shows don't happen, however, without a loyal team of helpers behind the scenes! So if you don't want to be on stage, but would like to be involved in some way, please let me know (☎ 66 01 92).

Rehearsals have been taking place during the past month or so on Tuesdays and Wednesdays at the Dom Bosco building in avenue de la Faiencerie. There's a break in full rehearsals for the next few weeks, until 22nd August, but I know Alan is planning some musical rehearsals - ask him for further details.

- Angela (Production Coordinator)
