

Pirate Productions, founded in 1979, is Luxembourg's only English-speaking musical theatre group. Although it has its roots in the Savoy Operas of Gilbert & Sullivan, and has presented eight different G&S operettas over the past 28 years - some of them more than once - Pirates has also presented such well-known large-scale shows as "Fiddler on the Roof", "Oklahoma", "Me and My Girl" and "La Cage aux Folles" as well as smaller productions such as "The Fantasticks", "Company", "Stepping Out" and "Man of La Mancha". Other ventures have included pantomimes, music halls and variety shows, and the popular series of "Wine and ...". The club has also organised a number of successful Table Quizzes, the next one of which will be this coming September.

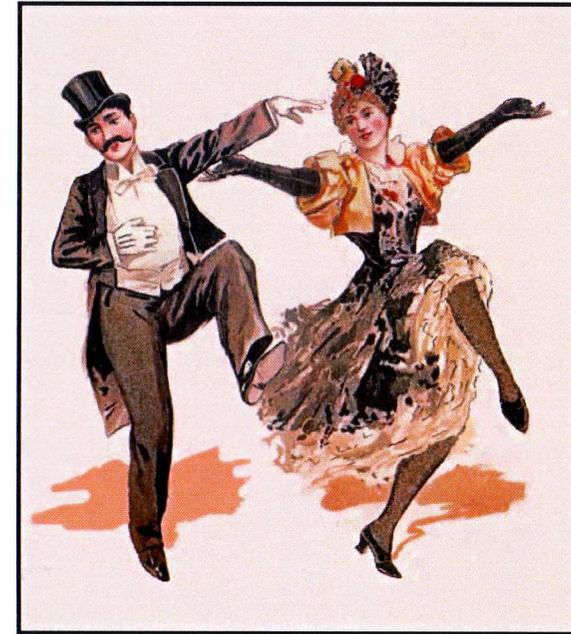

Over the years Pirates Productions has donated well in excess of 25,000 euros to various charities, including Combat Cancer, Action Aid, the RNLI and other sea rescue organisations, SOS Kinderdorf and local charities such as the Institut Saint-Joseph home in Betzdorf and Een Härz fir Kribbskrank Kanner.

Club events include singing and dancing workshops, informal "Singalongs", an annual summer barbecue and a Christmas party with carols. In mid-2006, Pirates joined with the New World Theatre Club for a rehearsed reading of Dylan Thomas' "Under Milk Wood", a social evening extremely popular with both clubs, and further joint evenings are being planned.

Putting on any kind of musical production involves a huge number of people, both on stage and behind the scenes, and Pirates always welcomes new members. Whatever your nationality, if you understand and speak English, you will be made welcome.
