

Pirate Productions present

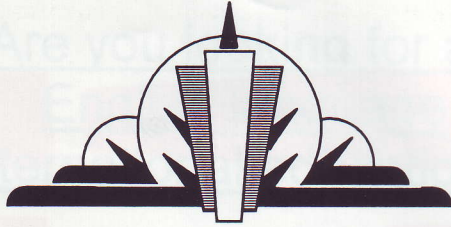

A Revue of songs from the Shows

# SHOWBITZ!

Chateau de Bettembourg - Oct 7, 8, 9, 10 at 8pm

1998

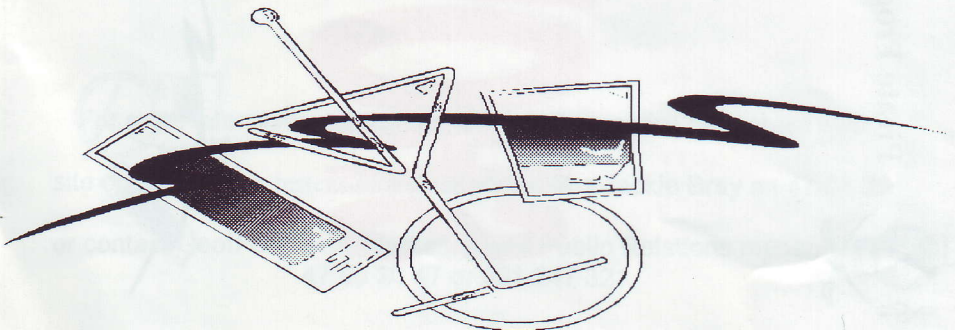

Pirate Productions, proudly present - SHOWBITZ - a revue of songs from the shows - but what great songs and what great shows they've chosen.

Les Miserables and Chicago. Different shows, but with wonderful tunes. Joseph and the Amazing Technicolour Dreamcoat, Jesus Christ Superstar and Phantom of the Opera. Shows which are long on titles but not short on memorable music. Evita, Hair and Cabaret, all evoking memories of another time and another place.

The troupe of twenty five singers will lead you on a musical journey. They dance, they sing solo, they sing chorus and they sing in small groups. The evening will be in three parts, with two intervals. You will be able to sit with friends around a table and have a drink or two while you sit back and enjoy the show.

### **Important Information - How to order your drinks!**

The bar will be open before the show. Please order drinks for the two intervals in advance. They will then be served to your tables during the intervals.
