I was just sev-en-teen when you  
 rode in-to town Just a girl full of fan-ta-sies and long-ings I saw you, I knew I had to  
 be with you Then you looked in my eyes And you asked me my name And I  
 trem-bled be-fore you like a ba-by And gent-ly, I kissed you - (Who could re-  
 sist you?) You took me heart and soul! And be-  
 fore I had a chance to take con-trol We re-tir-ed to your pal-ace on the Pole Where we  
 on-ly have our-selves And the rein-deer and the elves And a lot of things we've ne-ver said A-  
 bout the life I could have led If I had had the sense to stay a-way But, here we  
 are, Nick And so, Nick I know it's time for you to go, Nick
